

Screen shot of Collections set up in own pages and collections section

The screenshot shows the Mahara Collections setup interface. At the top, there is a dark header with the Mahara logo, a search bar for people, and navigation icons. Below the header, the main content area is divided into several sections:

- Tags:** A search bar with the placeholder text "Type in a search term" and a magnifying glass icon. Below it, a small text note says "Search for/enter tags for this item. Items tagged with 'profile' are displayed in your sidebar."
- Page navigation bar:** A radio button labeled "Yes" is selected. Below it, a text note says "Add a horizontal navigation bar to every page in this collection by default."
- Cover image:** The text "No files found" is displayed. Below it is a button labeled "Add a file". A text note below the button says "The recommended dimensions are 180px wide by 130px high."
- SmartEvidence framework:** A dropdown menu is set to "None". Below it, a text note says "Choose the competency framework that you want to associate with your portfolio."
- Portfolio completion:** A radio button labeled "Yes" is selected. Below it, a text note says "Add the 'Portfolio completion' page at the start of this collection."

At the bottom left of the form, there are two buttons: "Save" and "Cancel".

Screen shot of Collections set up in a group

The screenshot shows the Mahara Collections setup interface, which is identical to the one above. It features the same header, search bar, and form sections for Tags, Page navigation bar, Cover image, SmartEvidence framework, and Portfolio completion. The "Save" and "Cancel" buttons are also present at the bottom left.
